Tropposito Tronsky

https://st3veyogi.wordpress.com/2025/05/30/tropposito/

Since a long time ago,
there is a deejay who is making history.
Today, many years later, he's still kicking!

Tropposito Tronsky,
the genius behind the legend
releases his first single in forty years.

Atomic Troppotronic

Tronic as always!
More atomic than ever!

C'mon, play it loud!
Feel the real troppo power running through your veins!

Atomic Troppotronic
Finally out!

Steve Yogi
